

AUN/SEED-Net

The 12th AUN/SEED-net Regional Conference on Materials Engineering (RCME) & 2019 International Symposium on Materials Science and Engineering (ISMSE 2019)

Time: October 10-11, 2019

Venue: De-Nhat (The First) Hotel, Ho Chi Minh City, Vietnam

Call for contributions

The **12th AUN/SEED-net Regional Conference on Materials Engineering (RCME)** will be organized by Faculty of Materials Technology, Ho Chi Minh city University of Technology, in conjunction with the **2019 International Symposium on Materials Science and Engineering (ISMSE 2019)** on October 10-11, 2019. The conference will be held on De-Nhat (The First) Hotel in Ho Chi Minh City, Vietnam. The theme of conference is *“New trends of multifunctional materials toward sustainability”* and aim to create a platform to share the advances in research and technology development from researchers of university, industries, other professional organizations in ASEAN and others countries in the region. This event also provides opportunities for participants to explore future collaborative activities and to network with their peers in the field of Materials Science & Engineering.

AIMS AND SCOPE

The 12th RCME & ISMSE 2019 *“New trends of multifunctional materials toward sustainability”* is aimed to provide an overview of recent progress and research work ranging from fundamental research to applied research in the field of materials science and engineering. Interested authors are cordially invited to submit abstract (150-250 words) describing novel and previously unpublished results on topics, including, but will be not limited to the following:

- Metals & alloys
- Materials processing

- Ceramics
- Polymer and Rubber
- Energy materials
- Composite materials
- Nanomaterials & nanotechnology
- Smart materials
- Biomaterials
- Materials characterization
- Modeling & simulation in materials engineering
- Mechanical behavior of materials
- Eco-friendly, sustainable materials
- Coating & surface engineering
- Electrochemical corrosion
- Materials for construction

PROCEEDINGS AND JOURNAL PUBLICATION

Full papers of selected abstracts will be invited to submit for publication in conference proceedings book and/or in a Special Issue of the Journal of Science and Technology (Vietnam Academy of Science and Technology).

- The 12th RCME & ISMSE 2019 conference proceedings book will be published with ISBN number. And the registration fee includes admission for 1 person with 1 paper to the two-days conference (print materials, refreshments, luncheons and gala dinner).
- Publication in the Special Issue of the Journal of Science and Technology (VAST) will be with additional fee and informed to the confirmed author separately.

All papers should be written in English and conform to the format described in the attached templates (abstract and fullpaper).

Authors are invited to submit the abstract and fullpaper via email rcme2019@hcmut.edu.vn. Please make sure your file will have a filename “(TOPIC FIELD)-Abstract title.doc”

IMPORTANT DATES

Abstract Submission Deadline	May 31, 2019 (extended)
Notification of acceptance	June 1, 2019
Full Paper Submission Deadline	July 15, 2019
Notification of final acceptance	September 1, 2019
Conference days	October 10-11, 2019

REGISTRATION FEE

Nominated participants from MIs and/or Invited speakers	Free
Others participants	65 USD (or 1.500.000 VND)*

*Payment method: please use bank transfer to the following account number and send us the receipt proof before September 15th, 2019. Please refer the information of conference as “RCME2019-Author’s name” for your payment.
