

Intensive Course on Management of Technology JFY2015 (1st Batch)

The intensive Management of Technology (MOT) training for Japanese Fiscal Year (JFY) 2015 was successfully completed during 3-14 August 2015 at Malaysia-Japan International Institute of Technology (MJIIT) with joint collaboration from Universiti Teknologi Malaysia (UTM), Kuala Lumpur, Malaysia.

The total 20 selected faculty staff of JICA Project for AUN/SEED-Net Member Institutions (MI) attended the whole course, which mainly consisted of Intellectual Property, Innovation, Marketing, Industrial Visit, and Industrial Forum. In 2015, all participants were under 35 years of age with variety of highest degrees; bachelor degree, master degree, or doctoral degree. They were from Cambodia, Indonesia, Laos, Myanmar, Thailand, the Philippines, and Vietnam. The objective of the training is to enhance knowledge and capacity in making a collaboration with the industrial sector through research activities and to initiate awareness of the importance of MOT and how it could enhance academic curricular among members of the network.

The 22nd Steering Committee Meeting and Year 2015 Annual Meeting, Bangkok, Thailand

On November 26-27, 2015, AUN/SEED-Net convened the 22nd Steering Committee Meeting and Year 2015 Annual Meeting. The meeting was held at Pathumwan Princess Hotel, Bangkok, Thailand. The warm atmosphere fulfilled hospitality, and the air was thick with hot issues to be reported and discussed. Representatives of Member Institutions from 10 ASEAN countries participated in the meeting with senior delegates from the Government of Japan and Japan International Cooperation Agency. The meeting was kicked started with the overview of AUN/SEED-Net Phase 3, and followed by Report on Progress during JFY 2014 - 2015.

In the discussion, new screening process for graduate degree program was informed while requesting recommendation from the experience of related parties. The Secretariat also requested each Host Institution for further cooperation to provide an orientation on the health and safety issues to the incoming students.

Regarding Research Programs, Member Institutions were requested to ensure that Principle Investigators be fully committed to the project throughout the funding period.
